*Atlantic Supply is a stocking distributor for Reed Manufacturing, the leader in hand tools. ADS stocks a variety of tools and replacement parts. Call today for more information.*

**Steel Pipe Wrenches** - Parts are interchangeable with all major brands. High-tensile ductile iron handle and hardened tool steel parts are designed to withstand the heaviest demands.

**Aluminum Pipe Wrenches** - Lightweight and strong, titanium-aluminum alloy handle, heat treated for maximum strength.

**Chain Wrench (Heavy Duty)** - Turn any shape in close quarters. Dual reversible jaws permit ratchet action in either direction without removing the wrench from the pipe.

**Chain Tongs (Heavy Duty)** - Durable, long-lasting tongs for all types of pipe fitting jobs. Tools consist of handles of forged steel and strong, flat-link chains. Drop forged jaws are replaceable and interchangeable with major brands.

**Adjustable Wrenches** - With hardened and tempered forged alloy steel handles, phosphorous bronze springs and a triple-coated nickel-chrome finish, these superior wrenches are constructed of the finest materials available.
