PROUDLY SERVING THE FLORIDA DRILLING  
INDUSTRY FOR 25 YEARS

## - NEW PRODUCT ANNOUNCEMENT - **Porous Polyethylene Sparge Point** **1" x 24" Flush Thread - 40-Micron**

*\*NOTE\* Male plug is for illustrative purposes only, all fittings are sold separately.*

The new Monoflex Sparge Point is unique as it is the only unit on the market that features Male x Female Flush Threads. This feature allows the user to screw multiple units together in the field or place them at various depths along the well string.

These units feature an 8-TPI ASTM F-480 flush thread design and are compatible with all threads of the same design. Adapters from this flush thread to male NPT, caps, plugs, and points are available.
