Groundwater Testing Pumps

WP4012 - Mini Purger

WP6012 - Super Purger

WP9012 - Mega Purger

Compact, reliable and easy to use sampling pumps

FEATURES

- Pre-assembled sampling and purging kits with heavy gauge cable and alligator clips
- 12 V DC operation
- Lower current draw for more efficient performance
- Tough plastic construction with PBT impeller
- Flow rates up to 3,5 GPM
- Pumping depths up to 90 feet

MODEL	Current Draw	Output performance (gallons per min) at Head (ft)								
		10	20	30	40	50	60	70	80	90
WP4012 Mini Purger	2.0-3.5 Amp	3.2	2.0	1.0	0.1					
WP6012 Super Purger	3.3-6.4 Amp	3.0	2.3	1.6	1.1	0.5	0.1			
WP9012 Mega Purger	5.1-8.0 Amp	3.5	3.1	2.6	2.2	1.7	1.4	0.9	0.6	0.2

Tests were carried out with full lengths of cable attached
